

KAVIKULAGURU KALIDAS SANSKRIT UNIVERSITY, RAMTEK

ACADEMIC AUDIT REPORT 2018-19 & 2019-20.

Department of Bharatiya Darshan

The committee has gone through the academic audit form filled by the Bharatiya Darshan Department, assessed the activities of department and verified the documents submitted by them. The faculty is, knowledgeable and enthusiastic. They are performing their duties wholeheartedly. Everyone is shouldering additional responsibilities. They are organizing workshops, seminars, conferences and Camps for students progression, like Spoken Sanskrit Camps, Shastrarth Parishad, book exhibition and lecture series of Sanskrit scholars etc. Students have participated in National level competitions. Two ongoing research projects and good number of publications to their credit. Faculty members are guiding research students, participating in research activities. Major contribution to the University in organizing 'All India oriental conference 2020'.

The department of Bharatiya Darshan has organized various society oriented programs. Three Lecture series Acharya Bharati, Shastra Bharati and Yoga Bharati are organized by the department. One International Conference was organized with the co-ordination of P.G. Department of RTM Nagpur University, Nagpur.

Research contribution of the department is good. 11 student got Ph.D. degree from the department. Sanctioned one research project from Rashtriya Sanskrit Sansthan Delhi. Shastratha Parishad and Shastra text reading workshop was organized by the department for preservation of Shastra.

Faculty members got National level and state level awards.

Some suggestions from committee are as follows-

- 1) Efforts should be taken for student's strength in Shastra courses.

- 2) The process of development of departmental library is initiated but more efforts are required for enrichment of library.
- 3) Various Inter-disciplinary courses should be designed by the department like Indian philosophy and Astro Physics.
- 4) Vidarbha being land of Saints from time to time, it is herein suggestive to come up with a, "Compendium", to begin with contributions in the field of research
- 5) Jayanti celebrations of various Vidarbha level Saints may be undertaken to begin with. The concept of "Gramsabha" by Tukaram Dada, disciple of Rashtrasant Tukdoji Maharaj may be integrated with existing curriculum or alternatively should be nurtured as an independent certificate/diploma course, having an objective to develop rural areas with due regard conservation of natural resources.

The Department is contributing to the development of University. The department deserves to get 'A' grade. The committee wishes all the best.

(Prof. Nanda Puri)
Chairman,
Academic Audit Committee
